

General Manager

The Royal Automobile Club,
Woodcote Park Clubhouse, Epsom, Surrey
c£60k + benefits package negotiable

The Royal Automobile Club is one of Europe's largest and most prestigious private member-owned clubs. Two substantial and elegant clubhouses, one in central London and the other in Epsom, provide a wide range of services for the Club's 14,000 members.

The country club, at Woodcote Park in Epsom, has two restaurants and bars, 22 bedrooms, four principal banqueting and meeting rooms, and extensive sporting facilities that offer two 18-hole golf courses, tennis and squash, gym and swimming. The events calendar and activities programme are busy and diverse, covering a range of member constituencies. There are 170 staff to support all facilities and services.

Reporting to the Club Secretary, the General Manager will be a visible leader for the clubhouse management and staff. There is a clear need to continue to raise the standards of products and of service, and to motivate

and train the team to meet them. Similarly a high-profile presence among the members is essential. As part of the Club's senior management team and the clubhouse committee, the General Manager will make a key contribution to the development of Woodcote Park and the Club.

This role requires a General Manager with an impressive track record in hospitality management. Attention to the detail of high quality service, operational excellence, leadership ability and business acumen are essential. Living in reasonable proximity of the clubhouse is important to meet diary commitments.

All applications should be directed in writing and with full CV and salary details to our nominated consultant. Visit the website www.royalautomobileclub.co.uk for more information about the Club.
