

Chief Executive

London Package c£200k

The exclusive Ritz Club, located in The Ritz Hotel, London, and the epitome of vintage splendour provides a prestigious and predominantly international membership with gaming, restaurant and bar facilities.

Privately owned and well established, the Ritz Club is a significant business which employs a team of highly specialist professionals. As a business, it is complex and highly regulated and new legislation will provide both challenge and opportunity moving forward. In the capacity of Chairman, the current CEO will facilitate the introduction of this senior executive into this high-end hospitality and casino business.

The Position:

- Embraces responsibility for the strategic plan, implementation and execution to ensure the future potential of the club is realised.
- Provides exceptional leadership to a highly specialist team of senior managers.
- Develops and fosters outstanding relationships with members and contributes to member acquisition.
- Guarantees immaculate service standards.
